BIRD'S EYE VIEW OF JAMESTOWN EXPOSITION.

...Introductory...

It is with pleasure, as well as with a great deal of pride, that we can announce to our friends and patrons that we have established an office at 507 **Law Building**, where we have our Reference File of Directories of the Cities and States in the United States.

We are also prepared to furnish **Business Lists** of any kind, **address** and **mail** all classes of advertising.

Norfolk and Portsmouth have reached the point that they are entitled to the best of everything, and it is the intention of the Directory Company to do its part in advancing its interests in every way possible. We put a **Norfolk and Portsmouth Directory** in the files of all the principal cities in the country as well as Canada. By this method Norfolk and Portsmouth are advertised in a way and to people who could not know and see everything about it from any other source.

By the liberal support that we have received at the hands of the Norfolk and Portsmouth merchants in the past, we are encouraged to undertake greater things for them in the future.

To find a name you must know how to spell it. When you know how to spell a name, follow out the order of the alphabet and you will find what you are looking for.

The 1907 Directory contains not only the names of persons living in Norfolk and Portsmouth, but also the names of those living at Berkley, Riverside, East Brambleton, Douglas Park, Bruce Park, Huntersville, Barboursville, Villa Heights, Park Place, Virginia Place, Riverview, Old Dominion Place, Kensington, Lambert's Point, Atlantic City, West Norfolk, Port Norfolk, Pinner's Point, Scottsville, Park View, Prentis Place, South Norfolk, and all of the suburbs adjacent to the two cities, embracing an area of fully forty square miles.

CAUTION.

We wish to call the attention of the advertising public to the itinerant directory publishers who visit Norfolk periodically. When they commence it is generally on the plea of "Home Enterprise" or "Charity," and they bleed the public for advertising of no value.

Beware of the man who solicits your directory advertisements unless he can show authority from some one you know.

Our office at 507 Law Building holds itself ready to answer any question on this subject that our patrons feel inclined to ask.

Thanking the public for their generous patronage and kindness in aiding us in this work, we remain,

Yours respectfully,

HILL DIRECTORY COMPANY,

Directory and Almanac Publishers,

¶ That's the verdict rendered by our long line of satisfied customers, who verify their appreciation of our work by their continuous patronage. ¶ And that's the reason we have merited success in this branch of our business. ¶ The splendid results we achieve in pleasing the public day after day are brought about, of course, by using the best material we can buy and exercising the utmost care at every step of the process of making and binding books. ¶ Our ambition is to keep your trade by doing your work as it should be done.

HAT'S BEST—Our Kind.

¶ You might take a trip clear around the terrestrial ball, and you could obtain no more satisfactory service than at our establishment. A little of that indefinable something—perhaps it's the artist's touch—and we have artists in our Bindery—goes into all our work.

¶ We couldn't keep up our business if we didn't keep up the QUALITY of our Binding. The trade we want is the kind that comes every day. The reason they come is a reason for you to come.
